Auctioneers Note:

Ray Hoffman Jr. was truly a man who had a strong passion for those he loved, for farming, collecting tractors and especially for life itself. He was an extremely proud man who took great pride in all he did. He always had a strong desire to collect tractors and his eclectic machines showed that he "loved them all". Every time he would come home with a "new" old tractor he loved telling its story and history. He would just light up; and we hope that you find whatever it is in Ray's collection that you wanted and experience Ray's joy all over again!! That would make him smile and give you a hearty laugh! We look forward to seeing you October 24th at the farm.
