**GENERAL DESCRIPTION:** How awesome is it to live in the garden spot of farming in the world, NW Iowa, Plymouth County and especially the top quality land owned by the Eilene Rolling Estate just 6 miles East of Le Mars, South of Oyens, SW of Remsen and North of Kingsley. Centrally located in the heart of our top quality land, the Rollings are offering some of the very best there is. It has all the attributes you look for in a high quality, top producing piece. The soil index is out of sight with a 92.7 CSRII Rating, it lays just right for straight rows, doesn't take on water from anywhere and has a teeny little bit of slope for good drainage yet no tiling needed. What more could you want.

The Plymouth County FSA Office shows 94.16 Cropland Acres, with a 56.3 acre cornbase with a 169bu. PLC Yield Index, a 34.4 Acre soybean base with a 53 bu. PLC Yield Index and is enrolled in the ARC-CO program. The Plymouth County Assessor and NRCS Office shows the main soil types to be Galva with smaller amounts of Primghar and Radford and a fantastic CSRII weighted average of 92.7. WOW!!

It has long been proven that owning the very best land will make the difference in long term success for decades to come. It is extremely hard to find smaller tracts of such highly productive land, not only now but will become more so in the future. Now will prove to be possibly the best time in history to purchase some of the very best of the best!! Your family's farming future and your legacy that you hand down for future generations depends on the choices you make today. It may not look easy now but with the past as our guide it never has been easy. However, it has almost always been the exact right thing to do and been a spring board for many successful operations. Hopefully this top farm will become your family's strength and spring board for the future as well.

What a charming acreage to call home! What an opportunity! Here is your chance at some of the finest settings and views Plymouth County has to offer. This acreage site was recently surveyed and will include 3.67 Acres, a 2 story frame home with 2,040 square foot of gross living area according to the Plymouth Co. Assessor. The main floor features a spacious kitchen, living room/dining room along with a main floor bedroom and a full bath. There are 2 more upstairs bedrooms with 2 areas perfect for storage, office space or a recreational room. The exterior buildings are a 52'x64' barn, 28'x70' utility building and 2 smaller sheds. With Oyens, Le Mars, Remsen and Kingsley just a stones throw away, the acreage is perfectly placed for your convenience. Just imagine yourself pulling up the driveway after a long day at work. Peaceful, quiet, beautiful are just a few words that describe this rare Plymouth County acreage. Best of Luck to all of you. Bruce and Austin *Bruce R Brock*
