**METHOD OF SALE:** The property will be sold with the high bidder having their choice of Tract 1 or 2 or both tracts. In the event both tracts are taken the sale is over. In the event only 1 of the tracts are taken, the remaining tract will be offered.

**LAND LOCATION:** From Remsen: Go North 4 miles on L-12. From Oyens: Go North 3 miles on K-64, East 3 miles on C-16, then go South ½ mile on L-12. From Le Mars: Go East 8 miles on Highway 3, then go North 4 miles on L-12. From Alton: Go South 9 miles on L-12.

**GENERAL DESCRIPTION:** FIVE STAR, FIRST CLASS!

The Wiebke family will be offering one of the very finest farms to hit the Remsen, Le Mars, Oyens area market in quite some time! Without question there has been some outstanding pieces of land sold in this top area in the past, but none will have been any better than this farm. Parcel 2 with a 95 CSR II and Parcel 1 with a 94.7 CSR II are two of the very best anywhere in the world. In the long tradition of this tightly held family farm area it is extremely rare to have an opportunity to purchase 76 acres or 152 acres like these two pieces offer.

The Plymouth County FSA Office shows 149.91 cropland acres with a 77.3-acre corn base with a 174 bu. PLC Yield Index and a 72.6-acre soybean base with a 56 bu. PLC Yield Index, and they are currently enrolled in the ARC County program. The NRCS and Assessors Office shows the main soil types to be Galva with some Primghar and Radford sprinkled in. They have a weighted average CSR II of 94.7 for Tract 1 and 95 for Tract 2. WOW!!! Super numbers rarely found anywhere.

These 2 tracts of land are truly the **BEST OF THE BEST** found anywhere in the United States and are an outstanding, once in a lifetime, chance to really change and improve your operation. Over the last year or two we have witnessed the importance of owning the best land possible. The ability of your family to carry on and compete effectively in the marketplace of the future depends on the decisions you make today. You can have all the high-priced equipment, have the latest innovations in seed and fertilizer techniques and do everything just right by the book. However, without the best land in your area you will not get the full benefit of all these great new technology marvels. These 2 tracts promise to give you the strongest foundation available known to man!!

Do yourself and your family for generations to come a great service and make sure you provide the strongest foundation possible for the decades ahead. You will never go wrong owning the BEST! All the best from Bruce and the entire Brock Auction Crew.
