(Per Original Government Survey)

**GENERAL DESCRIPTION:** The Perfect Ranch for All!! Hunters, Fishermen, Outdoor and Recreational Enthusiasts, Farmers and Ranchers.

In today's highly compartmentalized world of farming and recreational hunting properties it is becoming increasingly hard to find a great getaway. This 964 acre ranch is located in the very Heart of South Dakota's World Famous Pheasant Hunting and World Class Missouri River Fishing and Boating. It draws hundreds of thousands to Central South Dakota every year in search of the Good Life.

For years this ranch has been a private hunting estate for the personal use of the owners. They have done a wonderful job of building an awesome wild pheasant, deer and upland game sanctuary. The beautiful lush shelter belts established food plots, and strategically placed filter strips, attract a wide array of hunting possibilities. The ponds and wetlands will also provide excellent migratory waterfowl hunting as well. All ready at your pleasure. The Mighty Missouri is only minutes away with its World Class Walleye, Small Mouth Bass and Northern Pike fishing.

**Ranchers & Farmers:** How many of us have wanted to own farmland that would offer an extra additional income source. This ranch will offer over 500+ acres of cropland with good productivity ratings with the added bonus of a fall income stream from pheasant hunters and deer hunters as well as migratory waterfowl hunting. The filter strips, shelter belts, deer stands and food plots are all established so you should be ready to hunt with very little if any extra cost. What more could you ask for? Good farmland, extra income, inflation hedge and asset growth all in one package. We don't get many opportunities like this. We hope you will take advantage of this one.

Good Luck to All! *Bruce R Brock*
