**GENERAL DESCRIPTION:** In the offering is a very nice rolling Western Plymouth County Farm. What a neat opportunity to have a piece of land located right on the highway and less than a 1/4 of a mile from the city of Westfield. The Hummel family have been great farmers, supporters and friends to the Westfield area for generations. Proud people showing care for their land and reputations, made this piece special. You now have the opportunity to add your family's personal touch to its history.

The Plymouth County FSA Office shows 62.91 Cropland Acres with a 60.74 acre cornbase w/a 113bu. PLC Yield Index and a 2.17 acre soybean base w/a 34bu. PLC Yield Index. The Plymouth County NRCS and Assessors Office show the main soil types to be Ida and McPaul Kennebec w/a small amount of Galva. The weighted average CSR II is 47.

This unique offering so close to town had a water main run to the property years ago in case the Hummels decided to develop the property. This, along with the care shown to the property for years and the ease of access make this a really attractive property and one you'll surely be glad you own. Thanks and Good Luck! *Bruce R. Brock*
