GENERAL DESCRIPTION: THE HEARTBEAT OF THE BEST

In this offering is a fantastic chance to own one of the most powerfully strong producing farms anywhere. The Klohs family has owned this crowning jewel for decades and it shows the pride of that family and the tenant who is a super farmer and has always cared for the land as if it were his own.

The Plymouth County FSA shows 146.3 cropland acres with a 73.9 acre corn base with a 166 bu. PLC Yield Index, and a 72.4 acre soybean base with a 55 bu. PLC Yield Index. The NRCS and Assessors office shows this main soil type to be Galva with some Colo and Primghar soils. The farm carries a really strong CSR2 weighted average of **89.6** and over **65% of the farm carries a 95 CSR2 rating.**

Holy Cow!! Rarely rarely rarely does a super charged, high producing, strong yielding piece like this present itself to you to own. From the excellent care and maintenance to extremely high fertility ratings you are looking at the ‘**Cream of the crop**’. Just a couple of miles south of Remsen on the highway, next to the great grain marketing facilities in Remsen, Marcus (ethanol), Oyens and livestock feeding facilities all around it, what more could you want to give you the maximum marketing opportunities available.

There has never been a better time to own the very best. The Klohs farm will be a true “Crown Jewel” in your land portfolio as well for generations to come. No one has ever gone wrong owning the very best and this truly is top of the line. All the best.
