GENERAL DESCRIPTION: What an outstanding offering! Rarely, if ever, do we get a chance to purchase a piece of property that offers so much potential. Walt and Betty have bought a new home in Kingsley and are giving you a chance to own some of the most attractive land right in the city limits of Kingsley. We have all heard of folks who have bought land on the edge of towns and cities all across America and have wondered what it would be like to buy something by the acre and possibly sell it by the square foot a few years later. This kind of opportunity very rarely, if ever, happens. For as long as I can remember Kingsley and its great people have been special. A super proud and strong community that has always had progressive ideas with forward thinking community involvement. With an outstanding School System, Beautiful Downtown, Great Golf Course and an easy commute, located so close to Sioux City, you could have a great place to raise a family with small town flair and yet be just a hop, skip and a jump from big city amenities. Also, Tract (1) will be an attractive building lot with approx. 120’ of frontage right on East View Drive, next to a very nice newer development. We wish you all the best of luck. *Bruce R. Brock*
