**LEGAL DESCRIPTION:** W ½ of the SW ¼, Section 32, Township 92 North, Range 45 West of the 5th P.M., Plymouth County, Iowa, except the acreage.

**GENERAL DESCRIPTION:** WOW!! What a way to end 2021! We have saved some of the very best for you to close out a fantastic year in farmland history with one of our finest farms available any where in our area. The Schnepf family will be offering this fantastic farm that has been in their family for generations. They are a proud family and the quality of care given to the land really emphasizes that pride and love for the land.

The Plymouth County FSA office shows 76.39 Cropland Acres enrolled in the ARC-County Program. There is a 37.4 acre Cornbase with a 182bu. PLC Yield Index and a 37.4 acre Soybean base with a 56 bu. PLC Yield Index. The Plymouth County Assessor and NRCS Office shows the main soil types to be Galva with smaller amounts of Radford and Kennebec and a little bit of Ida. The farm carries an awesome **CSR2 weighted average of 88.5!** Outstanding numbers all the way around for top future production.

Located just a stones throw from the South edge of Le Mars, this gently sloped farm promises to be an exceptional prospect for not only great production but quite possibly for above average growth in value. The City of Le Mars owns land just ½ of a mile North. Who knows what the future holds, but few farms have the potential that this one does.

Look back just a few short years in our history and see what a boon it has been for those who were wise enough and had the foresight and courage to invest in property this close to town. One of you will walk away from this sale with your name added to that illustrious list of families for decades to come.
