GENERAL DESCRIPTION: Commercial & Residential Buyers take note!! The Chapmans are offering a fantastic investment opportunity. There are all kinds of income potentials in this auction! How about an approximately 15,000 sq. ft metal shop that is really well constructed and has been used for commercial manufacturing and has all kinds of great features. Some include loading docks, oversized doors, solid concrete floors, full electric panels, and lots more!

There is an approximately 7,100 sq. ft. building that is currently a very nice residence with lots of living space and a really cool family / recreational room in the basement. There is also tons of storage space in this building. There are 2 – 55,000 bushel storage bins on site as well. With harvest right around the corner, this could come in handy.

Selling Separately is a rental home with garages / outbuildings on a little less than an acre for additional rental income. This is a 2-bedroom single story home located just off Highway 3, however, there is frontage on Highway 3.

All in all, if you are wanting to own one of the most diverse pieces of commercial or rental property with lots of options or you are needing some super workspace and storage along with a nice residence all located on Highway 3 just 3 minutes away from Le Mars, this truly is a fantastic, rare opportunity. *Bruce R Brock*
