GENERAL DESCRIPTION: Acreage lovers this is truly a Dream Come True. A 23 plus acre blank canvas that you can paint what ever it is that you have fantasized about but never thought you could make it come true. Scott and Stacey kept this exceptionally beautiful corner of the world to build on someday, but the direction of their thoughts changed, and they are now building closer to their new farming operation. What a great opportunity for someone to make your life's dream a reality. Centrally located between Le Mars, Akron, Craig, Hawarden, Ireton and Brunsville.

About everything you could ask for, this piece offers. Huge acreage that includes a beautiful hardwood tree forest and awesome hilltop views of the surrounding valleys for nearly 270°. There is also lots of grass for horses and a few 4-H calves if you want. Tons of room for kids & grandkids to roam and explore on the 23 acres.

Imagine how enjoyable your life will be when every morning you will wake up to the melody of several species of song birds wishing you a good morning as they go about their routine in your own private forest. Then each evening when your daily toil is done, relaxing on your deck or porch and watching the deer and other game quietly come out for their evening stroll. **QUIET, SERENE, BEAUTIFUL VISTA'S, AWESOME LOCATION, LOTS OF LAND.** All these things and whatever else you can dream of, make this one of the greatest acreages to ever come to the market and one you won't want to miss if you love the gentle country lifestyle. There is nothing like it. I wish all of you the very best. *Bruce R Brock*
